Eagle Ford Shale Housing

Eagle Ford Shale is located in South Texas now known for one of the potentially largest oil and gas discovery in recent memory. The source of the oil and gas are from hydrocarbons contained in bedrock that span a wide area of South Texas. This boom in South Texas has led to a unique situation where housing for the oil and gas industry is a problem. We at Eagle Ford Shale Housing can help your company with your housing needs.

Our fully furnished Legacy Manufactured Homes has everything your crews need to stay comfortable, connected and productive while they are far away from home. This is ideal for oil and gas companies with crews of 50

or more in a remote area like Eagle Ford. We will take care of all the details, including setting up utilities and providing full great amenities including weekly housekeeping service.

Judge's Comments:

“ Setting new standards and growing well. Exciting young company with a much needed product/service.
